MOTION TO EXTEND TIME WITH CONSENT

Pursuant to TBMP Section 509.01(a), Opposer David M. Holder and Applicant Eicher Motors Ltd. (collectively, the “Parties”) hereby request that the dates in the instant proceeding be extended for a period of two months, to and including August 25, 2014. As set forth in more detail below, Eicher Motors Ltd. recently acquired rights in the marks that are the subject of this proceeding and the Parties require additional time to address this development. Opposer's counsel, Gregor N. Neff, consented to this suspension via telephone conference on June 20, 2014.

On May 21, 2014, Vincent Motors entered into a purchase agreement with and subsequently assigned all rights, title, and interest in and to U.S. Trademark Application No. 85397317 for the mark VINCENT and Registration Nos. 4128589 and 4128588 for the marks VINCENT and VINCENT HRD, which are the subject of the instant proceeding, to Eicher Motors Ltd. This assignment, which was fully executed on June 11, 2014, has been recorded with the U.S. Patent and Trademark Office at Reel/Frame 5307/0871, and is included with this Motion as Exhibit A, transferred all federal and common law rights in these marks, together with the goodwill and business inherent therein to Eicher. As a result, Eicher is now the listed and legal owner of the objected-to VINCENT marks.

As required by the Board's May 7, 2014 order, the Parties submit that the assignment of the objected-to marks constitutes sufficient grounds for further extension of the dates in this proceeding. In particular, Eicher requires additional time to review documents and information produced during discovery and to confer with counsel. During this time, the Parties will consider whether settlement of this dispute is possible and take necessary preparations for the upcoming testimony periods.

Accordingly, the Parties respectfully request that this Motion be granted.

Date: June 25, 2014

Respectfully submitted,

EICHER MOTORS LTD.
